

ABOUT US

Our journey towards coloring the future began in the year 2019. We started with only the kindergarten and now, we are expanding our journey to primary school, one small step at a time. Our inspiration will always be first and foremost our children, their enthusiasm, innocence and curiosity.

OUR VISION

We create an environment where our children are able to engage with their imagination, foster their creativity and build a well-rounded love for learning. We strive to ensure a learning space, which is

- *Safe
- *Stress-free and
- *Supporting

Ms. JOY PRISCILLA M.Sc, M.Phil, B.Ed- CORRESPONDENT

At RIS, we encourage a partnership with parents and professionals to provide a holistic approach. We are committed to providing a safe, caring and engaging environment to meet every child's individual needs and interests. We believe in inspiring and motivating young minds to achieve their full potential through practical and fun-based learning. To this effect we focus on outdoor learning that includes field trips as well.
